5 - 8 °C

Product description

Colour: Bright yellow with green highlights.
Aroma: Very fruity, reminiscent of tropical fruit such as passion fruit and Mediterranean citrus fruit tones.
Taste: Refreshing, flavoursome and young. In the mouth, the gas appears as if it were cream, recalling aromas of fruit combined with a slightly sweet but fresh flavour.

Serving suggestions

Serving suggestions: Perfect to serve as an aperitif, to accompany all kinds of fish, seafood, and even as a base for cocktails. Always serve well chilled, at around 4°C.
