Product description

Eternal crossroads of the Mediterranean, the gorgeous island of Sicily seduces with scents of citrus fruits and spices, a fertile land with rugged volcanic coastlines by a bright, transparent sea, offering exceptional food and extraordinary wines.

Winemaking: These Pinot Grigio grapes are grown in picturesque vineyards located on the sunny island of Sicily. The distinctive coppery colour is the result of a longer contact with the grape skins to express crispy, fresh and fruit berry fragrances.

The bouquet is intense with notes of peach and white flowers.
