Product description

Eternal crossroads of the Mediterranean, the gorgeous island of Sicily seduces with scents of citrus fruits and spices, a fertile land with rugged volcanic coastlines by a bright, transparent sea, offering exceptional food and extraordinary wines.

Winemaking: These Pinot Grigio grapes are grown in picturesque vineyards located on the sunny island of Sicily. The distinctive fragrance of exotic fruits develops in powerful and rich aromas thanks to the special Mediterranean climate and the unique soil of Southern Italy. Fresh and fruity aromas of apple and peach with a hint of citrus fruit that fades into the floral bouquet.
