Product description

Careful selection of the best grapes of Cabernet Sauvignon.

The grapes are destemmed and gently pressed and vinified in stainless steel tanks. Cold maceration at a temperature between 12 and 14°C. Temperature controlled fermentation at 26°C, guaranteeing that the primary aromas are maintained.

Following the malolactic fermentation the wine is cold stabilized and filtered before bottling.

Colour: Bright ruby red.

Aroma: A combination of soft berry, fruity aromas.

Taste: Fruity, juicy and sweet, smooth, well structured with a long finish.
