## Product description

The best grapes of Cabernet Sauvignon variety are carefully selected at their optimum ripeness. Cold macerating at 14°C for 3-5 days using selected yeasts. Fermentation in stainless steel tanks for 8 to 10 days at controlled temperature of 26°C, followed by malolactic fermentation. The wine is partially aged for 4 months in American oak.

Colour: Deep red colour with purplish notes.

Aroma: Intense with fruity aromas of red fruits, and a subtle note of spice.

Taste: Very expressive, fruity with soft wooden touches and very pleasant tannins.
