Product description

The Denominación de Origen Protegida Valencia is situated near the Mediterranean coast in the east of the country, at an altitude between 250 and 1000 meters. The climate is warm with a strong influence from the Mediterranean Sea.

For centuries vines have been grown on the chalky, clay soils which, in combination with long hours of sunshine, produce fruity wines that are well structured with ripe tannins.

The grapes are carefully selected, destemmed and gently crushed.

The must is fermented using traditional methods during 12 days at 26°C, but using modern winemaking technology. The wine is partially aged for 4 months in American Oak.

Colour: Deep red colour with light violet tones.

Aroma: Very intense aroma of red fruits, black berry and redcurrant.

Taste: Soft fruity taste.
