Product description

Origin

Rose sparkling wine comes from the Valencia region. The climate in the region is strongly influenced by the warm Mediterranean weather. The vineyards in the region grow on a clayey surface and bask in hours of sunshine.

Description

We select the finest grapes of each variety. We ferment using selected yeasts at a temperature of 16°C to make the base wine. Later a second fermentation takes place in pressurised stainless steel tanks using a technique known as the short Charmant method, at a controlled temperature of 16°C until the pressure reaches a maximum of 4-5 bars. The wine is filtered under pressure using Tangential flow filtration and bottled including the remaining natural residual sugar.

Tasting notes

Colour: Intense cherry red with violet tones and fine bubbles.

Aroma: Very fresh and intense, with ripe fruit aromas.

Taste: "Refreshing, fruity and Young. The gas gives a creamy effect with fruit aromas combined with a slightly sweet but fresh finish.
