6.0% vol

Product Group:
SPARKLING WINE

Color:
WHITE

Sweetness:
SWEET

Serving Temperature:
4 - 6 °C

Quantity per Crate:
6 PCS

Product description

Origin

This sparkling wine comes from the Valencia region. The climate in the region is strongly influenced by the warm Mediterranean weather. The vineyards in the region grow on a clayey surface and bask in hours of sunshine.

Description

We select the finest grapes of each variety. We ferment using selected yeasts at a temperature of 16°C to make the base wine. Later a second fermentation takes place in pressurised stainless steel tanks using a technique known as the short Charmant method, at a controlled temperature of 16°C until the pressure reaches a maximum of 4-5 bars. The wine is filtered under pressure using Tangential flow filtration and bottled including the remaining natural residual sugar.

Tasting notes

Colour: Bright yellow with hues of white gold.

Aroma: Very fruity with aromas of white flowers and tones of citric fruits from the Mediterranean.

Taste: "Deliciously fresh and crisp. On the palate the gas feels creamy; the combined fruit aromas have a slightly sweet taste but fresh.

Serving suggestions

Gran Castillo Silver sparkling wine is ideal as an aperitif or to accompany all types of fish, seafood dishes and desserts. Always serve very chilled at around 4°C.
